Vendor Application for Old Pasadena Farmers’ Market

Southland is currently recruiting vendors of artisanal products and healthy foods for the new Old Town Pasadena Farmers’ Market which opened on August 4, 2013. The Old Pasadena Farmers’ Market is held on Sundays from 9:00 AM to 2:00 PM on East Holly Street between North Fair Oaks Avenue and North Raymond Ave. This market is being sponsored by the Old Pasadena Management District (www.oldpasadena.org). It will operate year round. The stall fees are $60 per 10’ x 10’ stall space for vendors. If you are interested in participating in the Old Pasadena Farmers’ Market, complete and send this application to info@sfma.net or mail it to SFMA, POB 858, Topanga, CA 90290. If you are approved to participate in the Old Pasadena Farmers’ Market, and you are a food vendor, you will need a health permit and business license from the City of Pasadena. The applications for the permit and license is attached. For more information, contact Howell at 310-455-0181.

COMMUNITY EVENT REQUIREMENTS

The Environmental Health Division is committed to ensuring that all community events held in the City of Pasadena are operated so that we provide our residents and visitors with safe, wholesome food. We accomplish this by partnering with each Event Organizer and Food Booth Operator to help them understand the basic food safety requirements.

Did you know that the majority of foodborne illnesses can be linked to the following?
- Temperature abuse during storage or transport
- Improper cooking of foods
- Lack of hygiene and sanitation by food handlers
- Cross-contamination between raw and ready-to-eat foods
- Foods from unsafe sources

It is up to each food employee to follow the food booth requirements to help avoid a foodborne illness outbreak.

Per the California Retail Food Code Section 114335, a Temporary Food Facility (TFF) may operate at a swap meet or a community event. Each food or beverage booth operator is required to complete and submit a Temporary Food Facility Application at least two weeks prior to the event date.

The health permit fees for this fiscal year (2013) are:

**Event Organizer Requirements**
1. An Event Organizer must complete a health permit application and pay the required health services fee at least two (2) weeks prior to the event.
2. The health permit is not transferable and is valid only for a specific time period and location.
3. The Event Organizer Application must be submitted and approved prior to the issuance of any TFF operator permit(s).
4. A legible site plan that is drawn to scale must be submitted to the Environmental Health Division at least two weeks prior to the event. The plan must include the proposed locations and detailed descriptions of the temporary food facilities, restrooms, refuse containers, potable water faucets, waste water disposal facilities, and all shared warewashing and handwashing facilities.
5. The Event Organizer or his/her designee(s) must be on-site and available during booth set-up and during the event itself.

**Food Booth General Requirements**
1. All prepackaged and open food booths must complete a Temporary Food Facility Application.
2. The health permit must be posted in the booth at all times. The permit is not transferable and is valid only for a specific time period and location.
3. Each operator must display on the booth the following information: facility name (at least 3-inch high letters), operator name, city, state and zip code (at least 1-inch high letters).
4. Each booth must have a Person-in-Charge (PIC) or a designee. The TFF permit holder is the PIC who shall be present at the TFF during all hours of operation.
5. All foods shall be obtained from approved sources. No foods from a private home shall be used, unless the product is non-potentially hazardous and approved to be prepared at a home that is registered or permitted Cottage Food Operation. Additionally, nonprofit charitable organizations are allowed to offer only non-potentially hazardous beverages and baked goods for fundraising purposes at Community Events.
6. All foods, utensils and other related items must be stored at least six (6) inches off the ground and adequately protected from contamination while being transported, stored, prepared, displayed and served.
7. All equipment and utensils must be smooth, non-absorbent, easily cleanable, and made of non-toxic materials.
8. All prepackaged foods offered for sale must be properly labeled.
9. All bulk food ingredient containers shall be covered and clearly labeled as to their contents.
10. All condiments outside of the enclosed booth must be prepackaged or dispensed from approved pump squeeze or pour-type devices.
11. Potentially hazardous foods that are held at or below 45°F for up to 12 hours in any 24 hour period, or at or above 135°F, are to be destroyed at the end of the operating day, unless foods have been continuously held under mechanical refrigeration at or below 41°F.
12. Approved hot and cold holding equipment shall be provided to ensure proper food temperature control during transportation, storage, and operation.
13. Ice used for refrigeration purposes shall not be used for consumption in food or beverages.
14. A suitable and an accurate small-diameter probe thermometer shall be available.
15. All food preparation, food storage, and warewashing areas are to be equipped with overhead protection.
16. No live animal, bird, or fowl shall be allowed within 20 feet of the booth.
17. At least one approved toilet facility for every 15 food handlers shall be provided within 200 feet of each TFF.
18. One mechanical handwash facility with warm running water (100°F) and under pressure shall be provided for each required toilet facility.
19. Single-service soap and paper towel dispensers shall be provided at each handwash facility.
20. A janitorial sink shall be provided on site as needed.
21. All hoses transporting potable water must be food-grade quality. Garden-type hoses are not acceptable.
22. All liquid waste must be properly disposed of (i.e., sewer system, wastewater holding tank). Wastewater holding tanks must be large enough to capture the total daily intake of wastewater.
23. All TFFs shall be readily disassembled for storage and transporting, and be capable of being readily assembled to its original integrity.

**Prepackaged Food Booth Requirements**
1. All foods must be kept at least 6 inches off the ground. An overhead protection is required and shall be made of approved materials. Dirt floor is not approved.
2. No open food sampling or food processing is allowed on site. Beverages may be poured from an original manufacturer’s container into a disposable cup as a single serving.
3. All foods must be prepackaged at an approved permitted facility.
Food Preparation Food Booth Requirements

1. The Person-in-Charge (PIC) shall have adequate knowledge of, and shall be properly trained in, food safety principles as it relates to their assigned duties.
2. The booth must be fully enclosed. Walls or half walls and ceilings shall be constructed of smooth, durable and easily cleanable materials.
3. Pass-through openings shall be no larger than 432 square inches.
4. Minimum screening size is 16-mesh.
5. A durable and readily cleanable floor surface shall be provided within the TFF. (For example, concrete, asphalt, or wood).
6. In lieu of fully enclosed food booth, unpackaged foods may be prepared within a food compartment, or enclosed areas of the booth, with doors or an access cover which are kept closed except when dispensing food.
7. A three-compartment sink with two integral metal drain boards and with hot (120°F) and cold running water shall be provided within each TFF except if:
   a. A sink exists within 100 feet of the booth in a permitted facility owned by the same person/entity.
   b. A common, centrally located sink may be used for as many as four unpackaged booths.
      1. No food preparation in the common sink.
      2. A canopy shall be provided over the common sink.
      3. The sink shall be no farther than 100 feet from any of the booths using it.
      4. The sink compartments and drain boards shall be large enough to accommodate the largest utensil or piece of equipment to be cleaned in the sink.
8. Handwashing facilities must be provided in each booth. Handwash facilities include warm water (provided in an insulated container), a bucket to catch the wastewater, liquid pump soap, and single service paper towels.
9. BBQ units, grills or other approved outdoor cooking equipment may be located adjacent to the TFF if local building or fire codes prohibit cooking inside the TFF. BBQ units (or other cooking equipment) must be separated from public areas in a manner that prevents access by customers to the cooking area.
10. All foods that are going to be cooked on the outdoor equipment must be stored inside the booth. Only small quantities of food in closed containers awaiting the cooking process may be allowed outdoors.
11. All food preparation must take place within the booth.
12. Foods may be either served from the cooking equipment or from the pass-through window.

Swap Meet Requirements

- TFF’s that operate at a swap meet are limited to prepackaged, non-potentially hazardous food and whole uncut produce only.

Mobile Food Facility Vendor Requirements

- Permitted mobile food facility vendors may operate at a community event without additional permits if operating under the current permit allowances.

If you have any questions regarding health permits at Community Events, contact the Environmental Health Division at (626) 744-6004.
